## From the front seat of my red GT...

A special thanks to all who were at the last meeting as we held our annual election of officers. Congratulations to Brad Milliken as our new President, Phil Nicodemus as our new Vice President, and Ron Newcomer as our new Treasurer. We are looking forward to the year 2011 being another great year of good times and fellowship with our club members.

I also want to thank our officers this year for a job well done and for all the help that was given me. Special thanks go out to Dave Yoder, stepping down as club Treasurer, for the years of service that he gave to the club.

I hope to see you all at our Christmas party on the 4<sup>th</sup> of December.

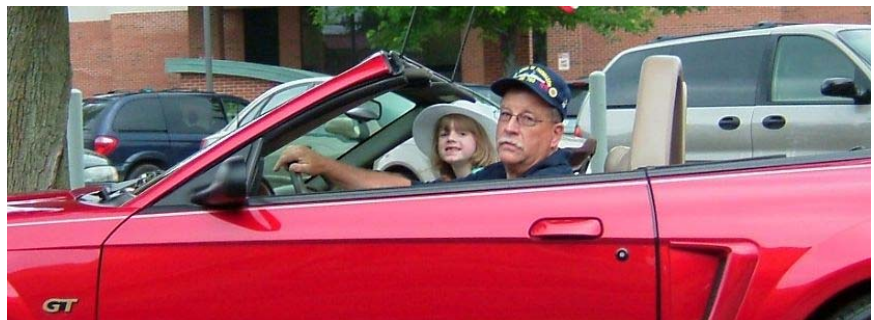

I have enjoyed being your President this past year and I thank you all for the support that was given me this year.

Sincerely,

Howard

### Christmas Party Reminder:

Just a reminder that we have our Christmas Party at Honkers on Day Road in Mishawaka. We will meet at 6:00 with the meal at 6:30. There will be a very short business meeting following the meal. We will be introducing the new officers for 2011.

The cost for the buffet meal will be \$13.95 per person. Tax and gratuity are extra. Each person will be responsible for their own meal. The buffet will be Swiss Steak and Fried Chicken along with mashed potatoes, dinner rolls and a salad. The restaurant has been most gracious in allowing us to bring in our desserts and special treats.

Thanks,  
Howard

## Notes from Last Month's Meeting

President Howard Barrett opened the meeting and welcomed members and guests. Attending the meeting were: Art Anderson, Scott, Miranda, and Phillip Anderson, Peggy Anson, Howard Barrett, Kathy Bringman, Art Campbell, Dick & Gloria Cornman, Connie & Vic Garrison, Anna Greenwalt, Beth Greenwalt, Terry Gunderman, Marty Hughes, Jimmy Kendrick, Elaine Kersey, Rob Killingsworth, Carl Kindig, Hal & Rose McClure, Robert Miller, Brad Milliken & Kim Zink, Bob Moore, Ron & Charlotte Newcomer, Tandy & Phil Nicodemus, Tom & Ellen Ostrowski, Kevin Price, Ken & Diane Reed, Ted Sauerbeck, Jim & June Schmidt, Mona Steiner, George & Shirley Wachs, and Dave Yoder.

The ballots for voting for new officers were passed out. Howard explained that Curly Long's name was still on the ballot, but Curly had declined the nomination too late to remove him.

The minutes of the previous meeting and the treasurer's report were approved.

MCA Regional Director Jim Schmidt's only report was a HAPPY THANKSGIVING TO EVERYONE.

Thanks to Event director Brad Milliken and his able assistant Kim for their marvelously planned fall cruise to Auburn, Indiana and the auto museum there. Twenty ponies and their occupants had a wonderful fall foliage drive. Brad had warned us of gravel or dirt roads, but had not warned us of poo roads. The light rain had spread out the soggy deposits and our cars were covered with the dried material. Before going home, we ran through a thorough car wash. The attendant spent about 5 minutes spraying the entire car.

As usual we all immensely enjoyed the food at Tiffany's in Topeka, IN. Our appreciation to Brad and Kim.

Member Birthdays for November were Kevin Blake, Valerie Frances Malecki and Lisa Ippolito.

Wedding anniversaries were: Gloria and Dick Cornman - 48 years, Jackie & Arnie O'Blenis - 7 years, Shari & Blair Knaak - 38 years, Michiana Mustangs - 33 years, Shirley & George Wachs—40 years, and Char and Ron Newcomer—48 years. Club anniversaries: 12 years for Jim & June Schmidt, 8 years for Rob Killingsworth and Jon Oram, and 3 years for Alex & Elizabeth Denysenko.

Club members were most generous in their toys for TOYS FOR TOTS and their food purchases for the Northern Indiana Food Bank. Thanks to all for your contributions. Howard and Art will see that the gifts are delivered to their respective locations.

Discussion followed regarding our contribution to

charities from our car show profits. At first it was decided to give \$500 to the Food Bank and \$500 to Hospice. The vote was retaken when Rose McClure suggested that we might give a contribution to the Kidney Foundation since Hal had received his transplant.

The motion was changed to \$500 to the Kidney Foundation and \$500 to the Food Bank. The motion was passed.

The newly-elected officers are: President: Brad Milliken; Vice President: Phil Nicodemus; Secretary: June Schmidt; Treasurer: Ron Newcomer; Head Judge: Howard Barrett; Car Show Chairman: Carl Kindig; MCA Director: Jim Schmidt; Board of Directors: Scott Anderson, Elaine Kersey, and Pete McClure

Don't forget the CHRISTMAS BUFFET, at Honkers on Friday, December 4th with supper at 6:30 EDT. The cost of the dinner will be \$13.95 plus tax and gratuity.

Vic Garrison won \$31.50 in the 50-50 drawing.

June Schmidt

Secretary

## Another Irish Joke

Paddy was waiting at the bus stop with his mate when a truck rolled by loaded with of turf.

Paddy said, "I'm gonna do that when I win the lottery."

"What's dat?" asked his friend.

"Send me lawn away to be cut."

## My First Mustang

My grandfather worked his whole life as a mechanic at Eby Ford in Goshen. When my father heard about the launch of the Mustang he ordered a 1964 ½ coupe "D" code with a 289 and a 4 speed. That car had a red exterior and interior. I was 6 years old at the time and have many pictures of that car and our family vacations. In 1965 my grandfather bought a 1965 Mustang coupe with a white exterior and interior and my oldest brother bought a 1965 Mustang coupe with a blue exterior and interior. In 1965 my family owned 3 Mustangs and they were red, white and blue, very patriotic. My grandfather ended up wrecking his Mustang and my oldest brother sold his when he joined the Army. My father kept ours until 1969 when he traded it in for a 1969 Pontiac Trans Am. I have been searching for years on the internet trying to locate my father's car since I have the original owners manual and keys for it but so far I have been unsuccessful. In 1976 my parents bought my oldest brother a brand new Mustang II but that car only lasted 6 months and then it caught on fire. In 1983 I bought my very first Mustang a brand new GT with a 5 speed. I ended up owning that car for 18 years. I wish I wouldn't have sold that car as it was an excellent "survivor" car.

## Fall Cruise 2010

Twenty Mustangs arrived at the Das Dutchman Essenhaus on Saturday October 23 for the annual fall cruise.

The color of the leaves would have been a bit better had the sun been present; however starting with the breakfast buffet, what more can one ask for? This one had to be one of the best turnouts in recent years.

After breakfast, we saddled up the ponies and headed for Auburn. We took US 20 east through Amish country and then a county road south to Stroh, IN. We wound around more county roads and pretty countryside, eventually picking up IN 8 into Auburn. There we also picked up another member, Elaine Kersey. Kim had a few coupons but not enough for everyone to get into the Auburn Cord Duesenberg museum on a buy one get one deal. So she turned it into a contest and after a group photo we proceeded into the museum.

We had a guide for the first part on the lower level. He was knowledgeable about the old cars and pretty much told us how these cars differed from say a Ford or Chevy. Mainly price! We then went upstairs and continued looking around. There is a nice section up there featuring cars made in Indiana, especially Studebaker in South Bend. When we started congregating in the gift shop, it was time to start heading for a late lunch in Topeka. Jim & June were starving!

George and Shirley had told me about Tiffany's in Topeka and that it was a good place to eat. Definitely a good choice here, too. It had rained a little, however, and you all know what happens to be on the Amish country roads when there are a lot of horses and buggies out. More horse than buggy! Well, I guess that's why they invented car washes.

After lunch, everyone took off for their local car wash and on home. Hopefully everyone had a good time and learned a little, too. Most importantly, we had a lot of good fellowship with some of the finest people in this organization. What more can you ask for?

*Brad Milliken*

Breakfast drew a big crowd; what a surprise!

## News from Past Fall Cruise Destinations

### Model A museum coming to Gilmore campus

Published: Thursday, November 18, 2010, 8:39 AM

David T. Young | Special to the Kalamazoo Gazette

**HICKORY CORNERS** — The Gilmore Car Museum will be getting another attraction when it becomes home to a Model A Ford Museum.

Ground is to be broken next summer on a 12,000-square foot recreation of a vintage Ford dealership that when completed will become the largest public museum dedicated to the Model A Ford, according to a news release from the Gilmore Car Museum.

Representatives of national and regional Model A Ford clubs were at the Hickory Corners museum Nov. 4 for the official announcement.

The driving force behind the project is the Model A Ford Foundation, Inc. The museum will provide the nonprofit organization a permanent home for its collection of automobiles, display engines and artifacts including factory photos, blueprints and research materials.

"The museum will feature several very interesting Model A Fords but it will be more than just a car collection," said Art Callan, MAFFI executive director. "It will take you on a journey through the Model A years — the end of the Roaring 20s, the stock market crash in '29, and the birth of Mickey Mouse."

The Model A, built by Ford from 1928-31, "was an affordable and very popular automobile that was owned and enjoyed by close to five million people," Michael Spezia, executive director of the Gilmore Car Museum, said in the news release. "We are especially happy to welcome the Model A Ford Museum to our campus."

Besides its own collection, the 90-acre campus of the Gilmore Car Museum serves as the home of the Classic Car Club of America Museum; Pierce-Arrow Museum; Franklin Collection at Hickory Corners; as well as the Midwest Miniatures Museum and the Tucker Historical Collection and Library. The Cadillac – LaSalle Foundation, Lincoln Motor Car Foundation, and the Model A Ford Museum also all have displays, with museum structures planned.

### Air Zoo plans 50,000-square-foot addition for exhibits, aircraft and library

Published: Friday, November 19, 2010, 12:30 AM

Tom Haroldson | Special to the Kalamazoo Gazette

**PORTAGE** — The **Air Zoo** is planning a \$1.8 million expansion that will add about 50,000 square feet to the flight and aviation history museum.

The **Portage Planning Commission** without discussion Thursday approved land-use and site plans for an addition on the east side of the current building at 6151 Portage Road.

The grant-funded expansion was part of a plan developed about four years ago to relocate the **Michigan Space Science Center** and the World War II naval aviation exhibits from the Air Zoo's east campus to its main campus, an Air Zoo news release said. In addition, the extension will provide space for new exhibits, aircraft, a 4,000 square-foot archive and an expanded library, it said.

The Restoration Center will move to east campus, allowing visitors to see and participate in the restoration process, according to the news release. The east campus will close to the public beginning Jan. 1, 2011, for the expansion and relocation plans.

Ground has already been broken and construction on the facility is expected to start soon, according to a representative of the builder, Delta Design Systems, of Kalamazoo, who attended Thursday's Portage Planning Commission meeting. The expansion is expected to be completed by next June.

The current Air Zoo is 118,500 square feet and was built in 2003.

"Each year, visitors from all 50 states and many foreign countries travel to the Air Zoo to experience the unique attractions and aircraft collection," Bob Ellis, Air Zoo president and CEO, said in a written statement. "Support from foundations, corporations and individuals makes this experience possible."

## For Sale!

### 1966 Mustang For Sale

This 1966 Mustang is very solid and in very good mechanical condition. Completely restored approximately 5 years ago. The Bright Red paint with Black Pony Interior and Super White Vinyl top gives this Mustang a very appealing appearance. Annual mileage is less than 100. Driven primarily for/to shows, parades, and fun (Sunday drives). Have owned it for 5 years and love the car. This rare first generation Mustang is being offered for only \$14,900.

## Ford Christmas Poem

Twas the night before Christmas and caught at the light,  
Was a domestic V8 and no cops in sight,  
I will try, I will try, I will try with this small motor,  
To beat this damn Mustang, even with its big blower.  
As the light goes green and I pull like no joke,  
The Mustang erupts in clouds of tire smoke.  
Now Smasher, now Rev-ver, now Stroker, now Blitzin;  
These are the names of my four VTEC pistons.  
Racing ahead I'm the star of the action,  
But I know I'm in trouble when that V8 gets traction.  
Grabbing second, I hear the RPMs sing;  
My mirror is blocked by my shopping kart wing.  
I now hear the roar of the big monster gaining,  
All I can do is keeping the four-banger straining.  
In a second, the shock wave hits with a blast,  
And my stickers go flying now a thing of the past.  
Don't bother with third, cause now it's too late,  
Just try to act cool, like you can relate.  
Looking up at the taillights as they get smaller;  
The driver backs off just to give me a holler.  
"You can't win them all," he says in fling,  
"You may not win any, in that silly thing."  
I smiled and revved as he pulled out of sight,  
With my new mods tomorrow...it will be a better night.

## Looking Back...

- Dave Yoder won the Pumper Award for 2005.

## From the Back Seat...

### Thanks...

To everyone who donated food and toys at last month's meeting. We collected 175 pounds of food and an estimated 35-40 toys. These numbers are significantly lower than last year, but considering the lower attendance at last month's meeting we did very

well. I can tell you that the staff at the Food Bank were very grateful for our donation. Although things are improving for many in the area, the Food Bank is at least as busy this year as last, if not more so.

It's appropriate that I write this on Thanksgiving Day. The generosity of Club members is just one of the things I'm grateful for.

I also want to thank everyone who sent me material for the newsletter, especially those who sent in profiles and Mustang stories. I firmly believe that the better we get to know each other the better Club we'll be. Having said that, know that I'll be begging again next year.

I'm planning to have updated list of the Club's demographics next month. It should be interesting to see what, if any, changes took place this year.

I can't let this 'thank you' column end without my most important one. At the end of this month my lovely bride and I will celebrate 30 years of marriage. I don't know how she does it; there are so many days I want to kick myself to the curb. Thank you, baby; I am so thankful to have you in my life.

To everyone; Happy Holidays and have a good month...
