

# Michiana Monthly

Vol. 28 No.10      October 2011

Chartered as a Regional Club since 1978

## Next Meeting

October 10, 2011

Dinner at 6:00  
Meeting at 7:00

**Honkers Restaurant**  
211 E. Day Road  
(SE Corner; Day Rd. & Main St.)  
Mishawaka, IN

## Upcoming Events

### October 6-9 (Thurs-Sunday)

Fall Cruise to Gatlinburg, TN

### October 10 (Monday)

Michiana Mustangs monthly meeting at Honkers (**2012 Nominations at this meeting**)

### October 15 (Saturday)

Michiana Mustangs Local Fall Cruise ( details on page XX)

### November 14 (Monday)

Michiana Mustangs monthly meeting at Honkers (**2012 Elections at this meeting**)

### December 3 (Saturday)

Christmas Party at Honkers

## BRAD'S BLOG

Summer is over and fall is here but there's still a lot of cruising left with a big one looming in the near future.

You asked to go down to Pigeon Forge/Gatlinburg again so here we go. We will meet at the McDonalds in La Paz at US 31 & US 6. We will leave at 7:00 AM on Thursday, Oct. 6. Be there before then to have breakfast as it's a drive to TN. We'll stop for a quick lunch and continue south. There are still rooms available if you would like to go. Call me if you're interested.

We will do another cruise of the local kind on Sat. Oct 15. You can find more information on that inside this newsletter. The final cruise in at The Das Dutchman Essenhaus will have already taken place as of this writing. I'd like to thank Ken for setting those up again this year and to everyone that attended them. Being visible helps promote the club and it's been fun there, too. Sure like seeing all the old cars.

Thanks also to Pete & Marilyn for the great job at The Tire Rack. Sorry I couldn't make it due to two band shows that day but heard everyone had a good time. It's everyone pitching in and helping out to make the club fun.

There are more things scheduled for the upcoming months; nomination of officers and elections, Pumper Award, Christmas dinner party, etc. We've got some new members to get to know. Come to the next meeting and welcome them.

*Brad Milliken*

## Notes from Last Month's Meeting

President Brad Milliken opened the September meeting by welcoming all members, including new members Janet Wade and Joshua "Lucky" Brown.

Present were Art Anderson, Scott Anderson, David & Peggy Anson, Howard Barrett, Art Campbell, Dick & Gloria Cornman, Vic & Connie Garrison, Terry Gunderman, Phillip & Bonnie Higley, Marty Hughes, Roger & Shirley Kaser, Chris Kern, Elaine Kersey, Carl Kindig, Blair & Sharon Knaak, Joe & Sandy Kraatz, Hal & Rose McClure, Pete & Marilyn McClure, Brad Milliken and Kim Zink, Ron & Charlotte Newcomer, Phil Nicodemus, Kenny & Diane Reed, Robert D. Relos, Paul Rogers, Ted Sauerbeck, Jim & June Schmidt, Mona Steiner, George & Shirley Wachs, Janet Wade, Alan Wright, and David Yoder.

Members were invited to come up and choose a door prize from the extra ones left from our car show on August 6.

MCA Regional Director Jim Schmidt reported that the Michiana Mustangs had again received the President's Award, but it had not been received as of yet. Past MCA President Steven McCarley and Director Ed Hockaday have joined Ford Motor Company's 50th Anniversary Committee for the Ford Mustang. No location has been chosen yet, but a birthday party on the July 4th weekend in Dearborn would be nice. The Special Edition Mustang Club of America Car now has a Certificate of Authenticity available thru Ford. In the current edition of the Mustang Times is a ballot that all MCA members should mark and return. Besides voting for new Board Members, the question of having the Grand National at the same location each year is on the ballot. Also Don Farr, Editor of Mustang Monthly has been nominated to the Mustang Hall of Fame.

Marilyn and Pete McClure were given a big thank you for all their work towards making the Tire Rack Event a successful project. All 19 cars and drivers who participated had a great time with good food, a safe event and good fellowship with members and visitors.

Car show chairman, Carl Kindig reported that 74 cars were entered in our August show. Of these, 18 were our member's cars. Reasons for such a small turnout were discussed: Inclement weather was in the forecast, the economy, and conflicting events - Mustang or otherwise. Carl thanked all members who helped in any way; however he stressed that only a small portion or our 100 plus members helped at the show.

Registration crew leader Diane Reed thanked all of her staff and reported that she was happy with the setup this year which worked out very well.

Carl passed out judging sheets and offered dash plaques to those who did not get one. He also men-

tioned that the mall had offered us the front of the mall for our show. Some members thought that it would be more visible to the public and attract more participants, although the fact that the present area has shade available may make it more desirable.

Thanks to Brad for the use of his audio equipment and his DJ job. Thanks to Hal McClure for use of his generator.

Dave Yoder who presently has our club trailer mentioned that since he has moved into town, we would need to find another place to house it. Hal offered his country estate for parking it.

Jim and June Schmidt thanked those who made the trip west on Route 30, down to Kouts and that other time zone to the Porkfest Parade. Those attending were Kim and Brad, Art Campbell, Gloria and Dick Cornman, Dawn and Steve Scarborough, Chad and Kami Woody, Carol and Dave Cooper and Jim and June. This year's weather was the greatest ever - finally.

The signup sheet for Pigeon Forge/Gatlinburg was passed around. Members will be leaving on Thursday morning, October 6.

New member Josh "Lucky" Brown won \$33.00 in the 50/50 drawing. Several other members won t-shirts and car cleaning products.

The meeting was adjourned at 8:20.

## Create Your Wildest Dream Car with the New Mustang Customizer

Have you always believed you could design a great looking car? Here's your chance. Ford introduces the Mustang Customizer. Users can choose to customize a Mustang V6, GT, Boss 302 or Shelby GT500. Choose a background along with five different angles from which to check out the design. Customize your baby with body kits, wheels, decals, grilles and deck lids, along with parts from Ford Racing Performance Parts and Ford Vehicle Personalization. Within minutes, several different looks can easily be created and saved as desktop wallpaper. Save your creation on your Facebook page and compete with your friends for best design. Do it today at [www.ford.com/cars/mustang](http://www.ford.com/cars/mustang).

<b>Total Expenses</b>	<b>\$389.72</b>

#### Net Income

**(\$176.72)**

### Condolences

- David Yoder's brother Mark passed away September 28. Please keep the family in your thoughts and prayers .

## More Member News

### Local Fall Cruise

We wanted to do a fall cruise for those that can't make it to Tennessee for that cruise and for anyone that wants to do a more local one. I checked out some good ole' Indiana country roads and come up with the following.

We will meet at the Cracker Barrel on Cassopolis St. in Elkhart on Saturday, Oct 15 at 8:00 AM EDT for breakfast. We will then plan to leave around 9:00 AM for a nice and hopefully colorful drive. We will be driving through a lot of Amish country and plan to stop in Ligonier at a pumpkin stand. Then it's on to Huntington and all points south for a stop at an antique shop. Lunch will be at The Back 40 Junction in Decatur, an awesome buffet with trains and a lot of old stuff. Lunch is \$9.99 before 3:30 so we'll be there before then. Then we'll head home.

Bring your cameras and a CB radio if you have one. Hope you'll be able to make it. For more information contact Brad at 574-674-4321 or [bradkmill@aol.com](mailto:bradkmill@aol.com)

### Artist for hire...

I do commissioned painting of cars for others and would like to pass this on to members if they would like a painting of their car. They can contact me directly... Prices vary for size. Thank you for considering. Bruce Langton, Artist

## Jon Enyeart - Pony Carburetors

Ed. Note: I know many members have had work done by Pony Carburetors, and others (myself included) plan to.

Jim Smart - September 06, 2011 07:28 AM

It is true each of us touches lives in way we never imagined. It's like George Bailey in the holiday classic "It's A Wonderful Life". Each holiday season, we are reminded how each of us affects the world in some way or another — and when one of us passes, we're reminded again that each and every one of us is significant to the course of history in some way. To bounce out of bed ready and excited to go follow your passion and practice your craft is a gift. Jon Enyeart, founder of Pony Carburetors, never forgot that. He went after classic car fuel systems, in particular carburetors and ignition systems, with great passion and tenacity, founding Pony Carburetors in 1988 in western New York. For more than two decades, Pony Carburetors has brought us Concours-restored carburetors, breathing new life into vintage Fords and other collector cars. Jon decided to escape those brutal New York winters, moving his Pony Carburetors operation to Las Cruces, New Mexico a few years ago. He enjoyed the great southwest and loved being there.

Our world lost Jon Enyeart August 29 at the Mesilla Valley Hospice in Las Cruces, New Mexico after a lengthy battle with brain cancer. He was 59. Jon was native to Nebraska, graduating from the University of Nebraska at Lincoln. He loved the Cornhuskers. He was a pilot. He had a great time entertaining friends and associates. Whenever Jon sat down and spent time with you, you quickly understood you mattered to him.

More than anything, Jon was a perfectionist who never settled for anything less than his best in everything he did. He also expected it from people fortunate enough to be associated with his operation. It goes without saying Jon leaves a huge void, with most of us wondering how we're going to get along without him.

## Postcards from the 2011 Track Day

The weather looked very iffy for a while, and the damp track caused some really interesting slides at first, but, in the end, everyone had a ball. Thanks to everyone who came out, a huge thank you to the TireRack for allowing us to use their facilities, and special thanks to Pete & Marilyn McClure for their work in organizing the day.

Before the start...

Once again, David Anson upheld the honor of first-generation Mustangs

Peggy Anson wasn't about to let David have all the fun

As usual, Pete McClure let it all hang out on the track

Phil Nicodemus gave his new GT a ride

The new Boss 302 was easily the fastest car of the day. Of course the fact the David regularly competes in SCCA Autocrosses may have something to do with that.

This was the darndest-looking Mustang we'd ever seen, but we let it run anyway.

## A Shortcut to Iowa?

A few days before we left for the Grand National Show in Des Moines, Iowa, I heard a talk show host talking about a trip out west and a guest asked him if there was a short way to get Des Moines. They all laughingly said "there is no short way to get to Iowa." After a few hours of driving on Interstate 80 with a 50 minute period of parking lot speed driving, I was asking my usual questions like "how many more miles" and "are we there yet?"

If you have never been out west by highway, you cannot imagine the acres and acres and acres of corn and bean fields. Once we got through the slow strip on I-80 it was clear sailing the rest of the way. Somehow Jim has a way of making the sun shine on my side of the car and it was in my lap most of the way into Iowa.

Our residence for the 3-day show was the Des Moines Airport Holiday Inn which still had a Holidome. Many of you can probably remember those. On Friday morning while waiting in line to register, we heard a blasting sound of many jet engines, which almost shook our teeth out. We were told that every Friday morning several F-16 fighter jets put on this little sound show. Luckily we were not kept awake by planes taking off.

Only Mustang show parking was allowed in the hotel parking lot for this 3-day show. The hotel had a shuttle that would take you to restaurant eating in the area. We had met up with Karon and Curly Long and Becky and Art Campbell, so the 6 of us ate a few meals together.

If you ever need good travel agents, talk to the Campbells. They had come a few days early and visited several points of interest in the Des Moines area. They went to the birthplaces of celebrities that we didn't know were from the area.

This show was the best show in Jim's life because he would be receiving his Conservator Medallion for earning 20 points in National and Grand National shows. Because of this honor-to-be, we had preferential parking in the show lot (we were #4 on the lot.). A gold award was won at this show, also. Our picture with the awards will appear in the October or November issue of the Mustang Times.

At the banquet on Saturday night, we sat with a couple from the local area. He had a Mustang in high school which he had to sell, but he always liked Mustangs. The banquet was his birthday present, and coming to the show was her surprise to him, hoping that seeing all the Mustangs would get him interested again. Two more couples sat with us and just happened to know some of the same Mustang dealers that

the first couple did. It was interesting listening to them compare stories.

After the awards program on Sunday we headed back east to home. I-80 was finally finished and there were no backups going home. A most interesting 3 days with other Mustang owners, meeting new friends and enjoying the old.

Most interesting sight along the way; extra long flatbed trailers hauling the blades to the huge wind turbines that are being installed out there and in our area also.

Jim and June Schmidt

A common sight at car shows...

20th Anniversary Mustangs were out in force in Iowa

Bosses of all types were on display

## Ford pays off \$1.8 billion in debt

Published: Friday, September 16, 2011, 1:49 AM

Updated: Friday, September 16, 2011, 1:55 AM

By **The Associated Press**

AP File Photo

Chief Financial Officer Lewis Booth said Ford plans to lower its total debt to \$10 billion by mid-decade.

Ford Motor Co. paid off \$1.8 billion in debt Thursday (September 15), part of a plan to lower its total debt to \$10 billion by mid-decade.

Chief Financial Officer Lewis Booth announced the action earlier this week at an investor presentation in Frankfurt, Germany. Ford spokesman Todd Nissen confirmed that the payment was made Thursday. Ford's total debt now stands at \$12.2 billion, down from \$33.6 billion at the end of 2009.

The payment is the latest in a string of debt reduction actions at Ford. The company paid down \$2.6 billion in debt in the second quarter and \$2.5 billion in the first quarter.

Booth said Ford plans to lower its total debt to \$10 billion by mid-decade. That will save the company millions in interest payments and also could help the company return to investment-grade status. Ford lost its investment-grade credit rating in 2005, when it was deeply in debt.

## Next Ford Mustang won't be retro

By: Jake Lingeman on 9/19/2011

"No way," was the statement from Ford design chief J Mays when asked whether the redesigned 2014 Ford Mustang will be another retro job. He says the next iteration of the pony car will follow a different road.

The design for the next Ford Mustang is currently being "locked down," according to Mays. It's a big milestone for the company, marking 50 years of the Mustang and the sixth major redesign.

"The challenge or the opportunity for 2014 with a 50th-anniversary car is to not just look back over your shoulder, but to try to win all of the Mustang faithful yet bring the brand forward as well," Mays told *Automotive News*.

"It has to look like a Mustang," Mays said. "But you go down a list of things that might or might not be necessary to make the car look like a Mustang."

## Birth Control Pills

An elderly woman went into the doctor's office.

When the doctor asked why she was there, she replied, "I'd like to have some birth control pills."

Taken back, the doctor thought for a minute and then said, "Excuse me, Mrs. Smith, but you're 72 years old. What possible use could you have for birth control pills?"

The woman responded, "They help me sleep better."

The doctor thought some more and continued, "How in the world do birth control pills help you to sleep?"

The woman said, "Simple, I put them in my granddaughter's orange juice every morning and I sleep better at night."

## The Devil Made Me Do It

The poor preacher was livid when his wife brought home a \$500 dress. "What made you do this?"

"I don't know," she cried.

"I entered the store, saw this dress, and suddenly found myself trying it on. It was as if the devil whispered, 'You look great in that dress. Buy it!'"

"Well," said the pastor, "you know how to deal with the devil. Just tell him, 'Get thee behind me, Satan!'"

"Oh, I did, honey," replied his wife, "and then Satan said, 'It looks even better from back here!'"

## U.S. Marine Corps Reserve Toys for Tots Program

Once again this year we will be collecting toys for Toys for Tots at the November meeting. We all know of the program; I thought it might be interesting to learn some of the program's background. The following are excerpts from the program's web site...

The objectives of Toys for Tots are to help less fortunate children throughout the United States experience the joy of Christmas; to play an active role in the development of one of our nation's most valuable resources – our children; to unite all members of local communities in a common cause for three months each year during the annual toy collection and distribution campaign; and to contribute to better communities in the future...

Toys for Tots Began in 1947, when Major Bill Hendricks, USCR and a group of Marine Reservists in Los Angeles collected and distributed 5,000 toys to needy children. The idea came from Bill's wife, Diane. In the fall of 1947, Diane crafted a homemade doll and asked Bill to deliver the doll to an organization, which would give it to a needy child at Christmas. When Bill determined that no agency existed, Diane told Bill that he should start one. He did. The 1947 pilot project was so successful that the Marine Corps adopted Toys for Tots in 1948 and expanded it into a nationwide campaign. That year, Marine Corps Reserve units across the nation conducted Toys for Tots campaigns in each community in which a Marine Reserve Center was located. Marines have conducted successful nationwide campaigns at Christmas each year since 1948...

Over the 62 years of the U. S. Marine Corps Reserve Toys for Tots Program, Marines have distributed more than 400 million toys to more than 188 million needy children. This charitable endeavor has made U. S. Marines the unchallenged leader in looking after less fortunate children at Christmas. Over its 18 year life span, the Marine Toys for Tots Foundation has supplemented local toy collections with more than 81.3 million toys valued at more than \$487 million; plus has provided promotion and support materials valued at over \$6.3 million.

## Food Bank of Northern Indiana

In addition to our Toys for Tots collection, for the third consecutive year we will accept donations to the Food Bank of Northern Indiana. In the past two years we have donated over 400 pounds of food and \$640 in cash. The need is still very great; please, let's help where we can. The following information is from the Food Bank's web site:

Since 1993, the Food Bank of Northern Indiana has been feeding the hungry...

The Food Bank of Northern Indiana serves Elkhart, Kosciusko, LaPorte, Marshall, Starke and St. Joseph Counties and is a member of Feeding America, Feeding Indiana's Hungry (FISH) and United Way.

Through our 185 member agencies, the Food Bank of Northern Indiana served one-quarter million household in northern Indiana in 2010. We distributed a record 5 million pounds of food - this distribution was up 125% from 2009. Our member agency meal providers served 1,272,277 meals during the past year in shelters, soup kitchens and other meal sites. A donation of \$1 will provide up to seven meals for those adults, seniors and children with food insecurity issues in northern Indiana.

Through our exceptional buying power, for each dollar donated... we can turn that one dollar into up to seven meals to feed those with hunger insecurity issues.

**According to Feeding America's 2010 Hunger in America Executive Summary - Local Report Prepared for the Food Bank of Northern Indiana:**

- 92% of clients in emergency food programs are U.S. citizens
- 73% of pantry clients are female
- 64% of clients are registered voters
- 41% of households have children under the age of 18
- 9% of households have a member age 65 or older
- 4% of clients were on welfare
- 55% of clients are non-Hispanic Whites
- 29% of Clients are Black
- 16% of clients are Hispanic
- 28% of all client households have one or more working adult

(a list of needs appears on page 10)

## What the Food Bank needs...

When looking to make a donation of non-perishable food to the Food Bank of Northern Indiana, please consider the following items desperately needed by those suffering food insecurity issues:

**Canned Fish and Meat**  
**Canned Vegetables and Fruit**  
**Cereal and Oatmeal**  
**Cooking Oil**  
**Dry Pasta and Sauce (plastic jar)**  
**Fruit Jelly**  
**Juice (boxes or cans)**  
**Dried Beans**  
**Macaroni and Cheese**  
**Mayonnaise**  
**Meat helper boxed mixes**  
**Pancake/Waffle Mix**  
**Peanut Butter**  
**Rice**  
**Nutritional Snacks**  
**Soup**  
**Baby Diapers, Food and Formula**  
**Personal Care Items (shampoo, bar soap, deodorant etc.)**

## Why Teachers Drink...

ARE YOU SURE YOU ARE READY FOR THIS?

The following questions were set in last year's GED examination. These are genuine answers (from 16 year olds)... and they WILL breed

Q. Name the four seasons

A. Salt, pepper, mustard, and vinegar

Q. Explain one of the processes by which water can be made safe to drink

A. Flirtation makes water safe to drink because it removes large pollutants like grit, sand, dead sheep and canoeists

Q. How is dew formed?

A. The sun shines down on the leaves and makes them perspire.

Q. What causes the tides in the oceans?

A. The tides are a fight between the earth and the moon. All water tends to flow towards the moon, because there is no water on the moon, and nature abhors a vacuum. I forget where the sun joins the fight

Q. What guarantees may a mortgage company insist on?

A. If you are buying a house they will insist that you are well endowed

Q. In a democratic society, how important are elections?

A. Very important. Sex can only happen when a male gets an election

Q. What are steroids?

A. Things for keeping carpets still on the stairs (Shoot yourself now, there is little hope)

Q.. What happens to your body as you age?

A. When you get old, so do your bowels and you get intercontinental

Q. What happens to a boy when he reaches puberty?

A. He says goodbye to his boyhood and looks forward to his adultery (So true)

Q. Name a major disease associated with cigarettes

A. Premature death

Q. How can you delay milk turning sour?

A. Keep it in the cow (Simple, but brilliant)

Q. How are the main 20 parts of the body categorized? (e.g. The abdomen)

A. The body is consisted into 3 parts - the brainium, the borax, and the abdominal cavity. The brainium contains the brain, the borax contains the heart and lungs and the abdominal cavity contains the five bowels: A, E, I, O, U..

Q. What is the fibula?

A. A small lie

Q. What does 'varicose' mean?

A. Nearby

Q. What is the most common form of birth control?

A. Most people prevent contraception by wearing a condominium. (That would work)

Q. Give the meaning of the term 'Caesarean section'

A. The caesarean section is a district in Rome

Q. What is a seizure?

A. A Roman Emperor. (Julius Seizure, I came, I saw, I had a fit)

Q. What is a terminal illness?

A. When you are sick at the airport. (Irrefutable)

Q. Give an example of a fungus. What is a characteristic feature?

A. Mushrooms. They always grow in damp places and they look like umbrellas

Q. Use the word 'judicious' in a sentence to show you understand its meaning

A. Hands that judicious can be soft as your face. (OMG)

## For Sale!

If anyone is interested in Bob Christena's 72 Mach 1, I am entertaining all bids. Please let me know. Hope to see you soon. Warm Regards, Becky Christena (219-874-4487) or [likethebluebird@comcast.net](mailto:likethebluebird@comcast.net)

\*\*\*

I have a chin spoiler and a rear spoiler for a '99-'04 Mustang; both are OEM parts. The chin spoiler is for an '03 Mach 1; the rear spoiler is from our '03 GT. Selling the pair for \$150.00. Call Scott or Sharone @ 574-233-8922 (October)

\*\*\*

I have a rear seat; complete bottom & back seat and standard upholstery for a 67 coupe. The frame, springs, and upholstery are in fair to good condition, aqua in color. The upholstery has never been replaced. Like it was when it was back in 1967. The frame & spring & hog clips, etc. are in very good shape. I would like to sell all of this for \$50 O.B.O. E-mail me at [ourmustangs@centurylink.net](mailto:ourmustangs@centurylink.net) or call 419-523-5535 (December)

A perfect Running Horse Hood ornament. All chrome **NO PITS!** Ready to be put on your Mustang. Will fit 64 1/2 up 67 Mustang's. Might fit 68-69. Has 2 stud bolts, 2 nuts, and rubber gasket. For Club members only well sell it for \$125.00, (non club members, \$150.) Shipping/handling charging added on. Anywhere in the lower 48 States. Have more photos of it. Contact me by e-mail at [ourmustangs@centurylink.net](mailto:ourmustangs@centurylink.net) CASH talks! Thanks, Phil Higley (December)

A **Perfect AM 66 Ford Mustang Radio** for sale. Will fit any '65-'67 Ford Mustang. The number on the side of radio is **6TPZ 015647**; includes knobs that go with it. Knobs are in good shape. Will ship it anywhere in lower 48 States. \$450. This radio been completely gone though and plays like it came off the factory line... Correct factory wires.

Everything is pretty well perfect on it. NO RUST on the main body of the radio, top been painted to the correct color. Price is pretty well firm. I have photos of this radio if anyone is interested in it. E-mail me at [our-mustangs@centurylink.net](mailto:our-mustangs@centurylink.net) or call 419-523-5535 and leave a message. (December)

## Looking For...

**Ads will run for three months; if you want to keep the ad running, you need to re-submit it.**

## Looking Back...

### October 1996

- Club members take four trophies at the Kokomo show before rain ended the event. Rose Johns (McClure) breaks a timing chain on her Mach 1 during the drive to Kokomo.
- This year's fall cruise includes a picnic in Michigan's Russ Forest Park near Marcellus.

### October 2001

- After a lengthy discussion the club voted to keep our car show's judged/participant vote format.
- Nominations were made to retain the 2001 officers for 2002.
- Members reported on their trips to the MCA's 25<sup>th</sup> Anniversary Show in Commerce, GA.

### October 2006

- The Club voted to donate \$500.00 from our show funds to Hospice of St. Joseph County.
- After getting quotes for insurance for our Club trailer, the Club voted not to get insurance, and to limit the trailer's usage to the two days of our car show.
- Becky Campbell reported on buying back her first Mustang during this year's Fall Cruise.

## Classic Insults

- "He has Van Gogh's ear for music." - Billy Wilder
- "I've had a perfectly wonderful evening. But this wasn't it." - Groucho Marx
- "I have never killed a man, but I have read many obituaries with great pleasure." - Clarence Darrow
- "He has never been known to use a word that might send a reader to the dictionary." - William Faulkner (about Ernest Hemingway)
- "Does he really think big emotions come from big words?" - Ernest Hemingway (about William Faulkner)
- "Thank you for sending me a copy of your book; I'll waste no time reading it." - Moses Hadas
- "A modest little person, with much to be modest about." - Winston Churchill
- "He has all the virtues I dislike and none of the vices I admire." - Winston Churchill
- "He can compress the most words into the smallest idea of any man I know." - Abraham Lincoln

## From the Back Seat...

- For everyone heading to Tennessee this weekend: best wishes for a safe trip filled with fun. I've seen the enthusiasm some of you have shown for this trip, and I can't imagine you won't have a good time.
- I hope Becky and I haven't sentenced the area to the worst winter in history this year. This is the first winter we've had classic car insurance for the Mustangs, so we're looking forward to being able to get the cars out on occasion. Hopefully there will be some nice days in January and February.
- October and November are traditionally two of the worst months for meeting attendance. Let's try to buck that trend this month. We need as much participation as possible in nominations for next year's officers. It's your club; don't forfeit your right to have a say in who runs it.
- Next year is our 35th anniversary as a club. If you have any ideas for ways to celebrate, let me know.

Have a good month...

*Out*

The fine print...

**Michiana Monthly** is published monthly by the Michiana Mustangs Club, a regional club of the Mustang Club of America.

Submissions for the newsletter may be made to Michiana Mustangs c/o Art Campbell, 51059 Woodhaven Drive, Elkhart, IN 46514 or e-mail to [acampbell@michianamustangs.com](mailto:acampbell@michianamustangs.com). Your submissions should be received by the 25th of the month to be included in the following month's newsletter
